Drill holes in the wall and fix the base

Connect the side connector to the tap

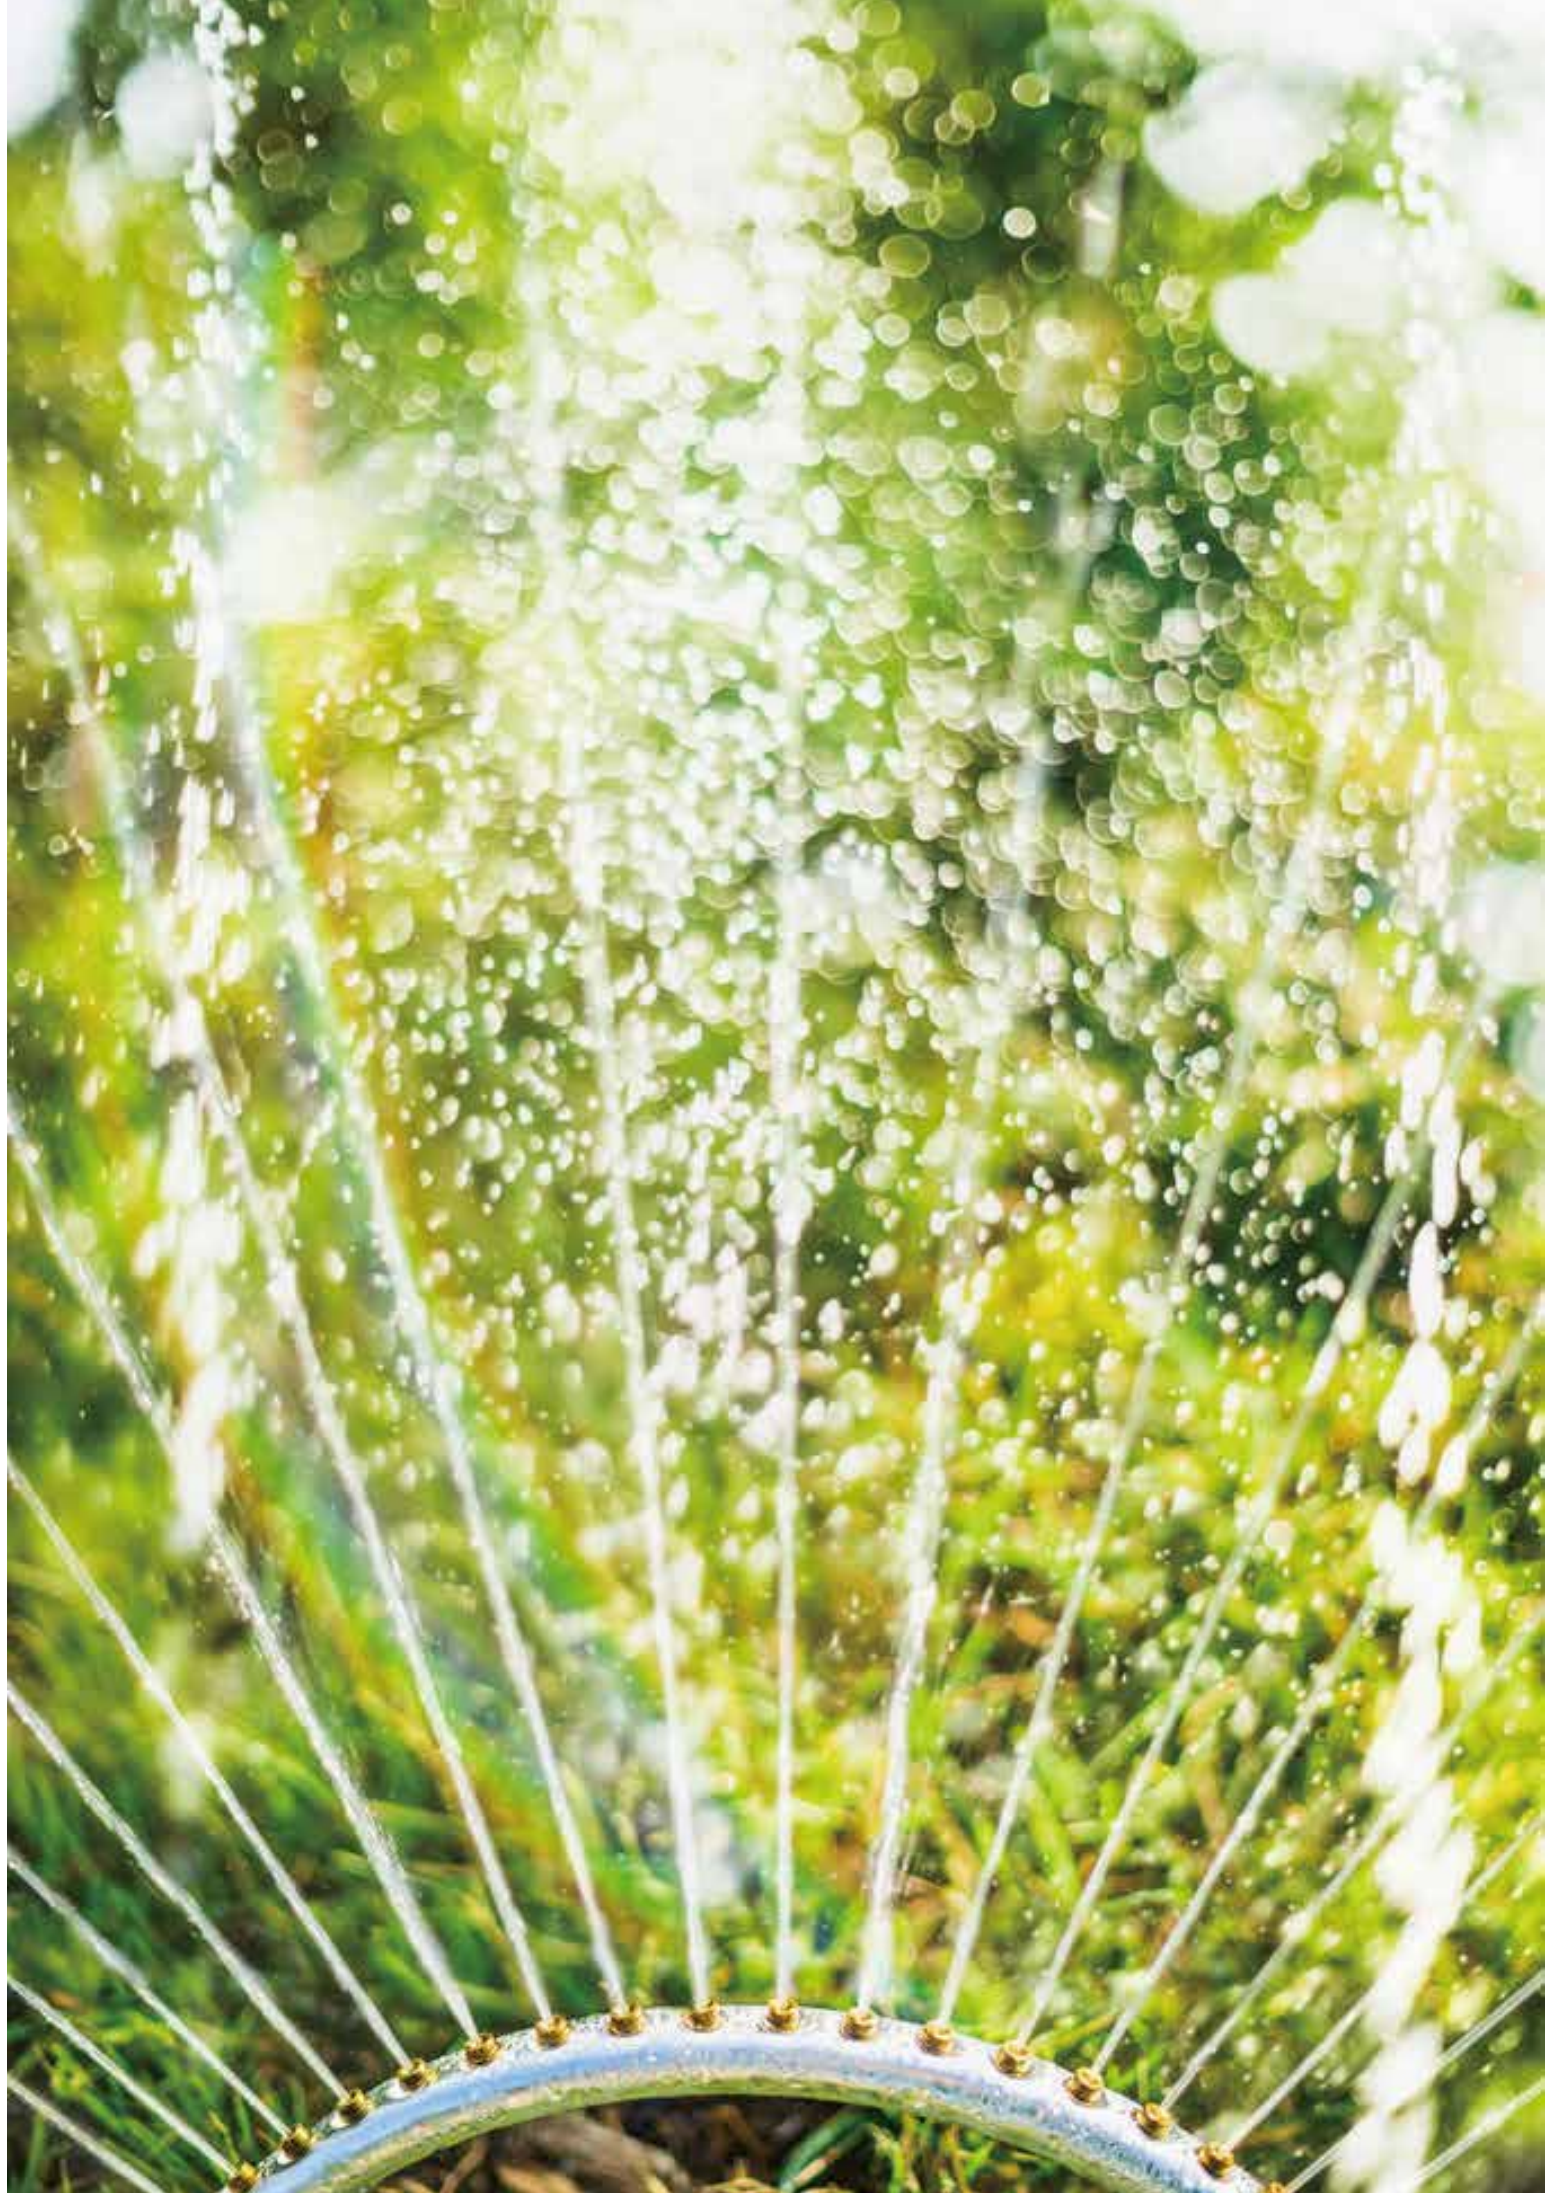

The tap adaptor up, insert along the arrow directly and fix the hose reel

- 1.No bending,no winding,no dirty hands.
- 2.Roll out: more comfortable and less effort to pull out hose to the desired length.
- 3.Roll in: hose guide neatly rolls up the hose, retracting time is longer and safer, retraction is smoother.
- 4.Long-lasting hose winding technology: short tug on the hose.
- 5.Space saving wall mounted, can be swivelled.
- 6.Handle is ergonomic for convenient storage,removal and transportation.
- 7.Anti-drip device prevents water leaking after use.
8. Integrated holder for storing nozzles or sprayers.
